Description:
Fully encapsulated, 120 Volt, 3 Watt, candelabra base mounting that integrates energy saving SMD LED technology into a standard candle/candleabra format. Available in Warm White (WW) in a 360° beam spread.
- E12 candelabra base
- Clear lens
- Flame tip
- 3 Watt, 120 Volt operation
- Remote transformer not required
- Operates off of standard house current
- Warm White WW (2700K) in a 360° beam spread
- Compare to 20W incandescent
- 6 on-board SMD LED diodes
- Up to 35,000 hour lamp life
- Low heat output
- UL Certified
- 5 year warranty
- Dimmable

Applications:
The candelabra 3W lamp has been designed to retrofit existing candelabra and candle type lamp installations, thereby reducing maintenance and energy expenditures - and as an energy saving light source for new fixtures and installations.
- Decorative fixture applications
- Hospitality and themed lighting
- Residential lighting

Packaging:
Master-pack: 75 lamps
