Yoke Mount to Slip-Fitter Adaptor. Item #: SF1000

Product Description:
- This unique bracket allows light fixtures with yoke mount brackets to be mounted on 2-3/8” tenon (2” pipe). It includes 4 sets of screws, washers and nuts for attachment to yoke mount (trunnion) bracket. Confirm that the hole pattern provided with this adaptor will dimensionally match the existing yoke bracket. If not, existing yoke mount bracket will need to be drilled to match the hole pattern of this adaptor.
- Material: Aluminum
- Color: Silver finish
- Weight: 2 lbs.
- Height: 8-1/2”
- Width: 5”
